SUBJECT: PRE-FORMED TEAM REGISTRATION FORMS

Please read thoroughly. The information has changed since last year.

The following steps are to be followed when registering 4-16 players for the same team in the recreation soccer program:

1. **NEW this year:** teams can register online as individuals and do not need to be submitted together at the same time. If registering online, please note the Coach's name and/or other players on the team. Coaches do need to submit a team roster that can be found in the form of a PDF at www.sandy.utah.gov/forms or from the Sandy Parks & Recreation office.
2. If completing a team packet and submitting all of the forms together as a team in the office, a Coach must complete the attached team approval form (back) and return it with each player's registration form and payment. The form must be completely filled out to insure proper league formation. Please make sure all player registration forms are filled out, front and back, completely and accurately. If additional players request to be on your team, but were not included in the original team approval form, they may be added to your team upon availability. **Listing a player, without the registration form completed and signed, does not guarantee a place on the team. Spots will NOT be held.**
3. Players should register with their age appropriate league. Advanced teams should play up one grade level. Only 2 comp/club players per team. Advanced teams will be required to play up.
4. Pre-formed team size limits: Maximum one extra player per team allowed if necessary.
Pre-K through Kindergarten: 8 players
Grades 1st through 4th: 12 players
Grades 5th through 9th: 16 players
5. Our goal is for all players to play equally, learn new skills and to have fun. This is a recreational league.
6. Register as soon as possible. Early registration pricing ends on July 10, 2013. Leagues may reach full capacity before the deadline.
7. When a request is made for 4 or more players to play together, a coach must be supplied.
8. We appreciate your honesty and support!
